Modern and contemporary *****IBIZA***** villa will captivate you from your very first visit... built in 2017 with an iconic and unique design on a 731 m² plot and covering 173 m². Nestled in a quiet cul-de-sac up on a hill right next to the private LACORDAIRE school, a renowned institution in Marseille's 13th district within a small gated community of 3 houses. Close to highways, schools, and shops.

The villa is very well maintained, almost like new, and is laid out as follows:

On the ground floor, a large living area with a fully equipped American kitchen featuring a central island, and a living-dining room opening onto the terrace and pool. There is also a laundry room, a toilet, and two walk-in closets on this level, as well as a master suite with a bathroom including both a bathtub and shower + toilet.

Upstairs, there are two bedrooms with connecting bathrooms that open onto a large terrace.
